Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Saturday 25 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A warm weekend, before turning more unsettled next week.

This Evening and Tonight:
It will be rather cloudy, misty, and murky overnight, with some hill fog. Some drizzle is likely from this at times. Another warm night for the time of year, with light winds too. Minimum temperature 12 deg C (54 deg F).

Sunday:
Mist and low cloud will clear leaving warm sunny spells.  Winds strengthening ahead of a band of heavy rain arriving into western areas before midnight. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Heavy rain and strong winds quickly clearing early on Monday leaving sunny spells and heavy, possibly thundery showers. More rain likely on Tuesday, but drier on Wednesday. Feeling much cooler.
